## BHARATIYA VIDYA BHAVAN

**Bharatiya Vidya Bhavan** was founded in 1938 by the illustrious philosopher - statesman, thinker, writer and father of the Indian Cultural Renaissance **Dr. Kanhaiyalal Maneklal Munshi**, with the blessings of Mahatma Gandhi, the father of the Nation. The founding of Bhavan was based on the preservation and propagation of Bharatiya Sanskriti (Indian Culture).

During the last seven decades of its existence Bhavan has blossomed into ever growing, voluntary apolitical national movement with an international outlook devoted to life, literature and culture.

**The Bhavan firmly believes that revitalizing ancient values and reintegrating them to suit the changing needs of the modern times alone will give people strength to assimilate what is good in the new, without being swept away from their traditional moorings.**

Bhavan's multifarious activities in the field of culture, education, national integration and communal harmony has been recognized by the Government of India by way of awards. Bhavan has received **Rajiv Gandhi Award for National Integration (1992)**, **Communal Harmony Award (1999)**, **International Gandhi Peace Prize 2002 by the Government of India**, **Swami Pranavananda Peace Award 2015 by Gandhi Peace Foundation, Delhi**. **Educational institution of national eminence** under section 80(G)(2)(iiif) of Income Tax Act, all donations to the Bhavan will have 100% tax rebate.

## Centre for Social & Cultural Activities

**"Indian culture is a living force. It absorbs alien elements when necessary and reorients them into a new pattern of homogeneous richness. Thus it becomes a tremendous force of power and beauty which has made us what we are in the world and will make us what we want to be in the world of tomorrow."** - These are the words of wisdom of **Dr. K.M. Munshi**, the founder of this institution known as Bharatiya Vidya Bhavan, a unique institution for education and culture.

Taking the philosophy of our founder forward the Jaipur Kendra is now embarking on a new project to add another dimension to its already existing multifarious activities. **A Centre for Cultural and Social Activities for the people of Jaipur is being launched. The Cultural Centre has been set up with the aim of imparting training in various Indian Classical and Folk Performing Arts, so as to pass on the true Indian Culture and Values amongst the youth and the society at large** besides producing talented artist and also to inculcate Indian values of life amongst the masses more particularly the younger generation.

All the Cultural Activities will be conducted under the banner of **Bhavan's Suruchi Kendra - The cultural centre of the Jaipur Kendra** with its office at Maharana Pratap Auditorium, Vidyashram Campus, K.M. Munshi Marg, Jaipur. The courses shall be open to all sections of the society above the age of 10 years.

The **Social Centre** shall work for the society by organizing programmes of public interest, create awareness on public and social issues, work towards the upliftment of the weaker section of the society and promote ethical and spiritual value in everything it does.

**Shri Rajendra Bhanawat (IAS Retd.)**, Member of the Bhavan's management shall be the convener of this new project and **Smt. Priyadarshini Kachhwaha** the founder Principal (Retd.) of BVB Vidyashram, Pratap Nagar, appointed as consultant for Cultural & Social Activities by Jaipur Kendra, shall be executing the project.
